“My special prayers are with the family!!! Lon was a great person! Growing up in Deadwood, he would give me guidance and let me have a blast at the same time!! His smile always gave me a lift when I was low. He always had something good to say about everyone, and everything. Go rest high on that mountain, brother, I will miss YOU!”

“I was so blessed to grow up with Lon as my uncle. I have so many memories of him from my childhood. He had a smile that would light up a room. He had the softest most caring voice. He was always there to put his arm around your shoulder or give you a hug. The thing I remember the most was he always made time for me and made me feel important. When I moved away his love for me remained. He never made a trip to Indiana without seeing my brother and I. During those trips we shared some wonderful talks that I will cherish forever. He loved his wife, children, and grandchildren more than words could express. His face would light up with just the mention of their name. He will be missed by so many. I know my dad Bill and my Uncle Steve were there to welcome him home. I love you Lon and will never forget the amazing man you were and the memories we had. I now have another special angel to watch over me and my girls.”
