“ *The world has lost a sweet and wonderful man. Kind, loving and so funny. I will always remember how happy he was when Corey first saw him and called him Ho Ho because of his beard, lol. He said if Linda was his Godmother then he was going to be his Godfather. He had such a beautiful smile for everyone and made everyone around him laugh. I still laugh everytime I think about the last time I talked to him and he told me when he thought Linda killed his horse. I could picture Linda with a frown on her face and laughing at the same time trying to get him to realize his horse was fine. Just goes to show how much her loved his wife since he said that was the only time he'd been that mad at her, lol. Johnny and I are so sorry for the family's loss. Lonnie was definitely one of best examples of a wonderful husband and father.*

Him and Linda used to keep my kids when they were little. They would lick my face and said it was puppy dog sugar. I asked them where they learned this and the answer was Lonnie!! To this day 20 years later when I go towards my kids to hug and kiss them they holler noo! They know exactly what I'm gonna do lick their face! He was all the time picking at ya about something! He will be missed by all that knew him. Love and prayers for Linda and the Yates gang!
