“ *I was saddened to hear about the death of my good friend Lotta. For many years while I still lived in Clintwood we would have outings together to bring a little joy to our lives. I thoroughly enjoyed her company when we went to the Pro-Art plays and music shows and to restaurants. She was a good companion and a wonderful person.*

The time I worked for MEOC and cared for Lotta leave me with sweet memories of her while she lived st home with Gwyn. She would occasionally say to me “I love you.” That warmth stayed with me.
