Lucille Dotson Mullins, 98, stepped into the presence of the Lord on Thursday, January 12, 2023, peacefully at her home. Born in Jenkins Kentucky, she was the daughter of the late Jett Russell Dotson and Hettie Buchanan Dotson and was the widow of the late Chester Mullins with whom she enjoyed over 30 years of marriage.

In addition to her parents and her husband, she was preceded in death by her brothers; Donald and Paul Dotson, and sisters; Ruby Dotson and Ada Marshall. Lucille was a member of Lick Fork Freewill Baptist Church in Clintwood Virginia. She loved cooking for her family and friends anytime she could. She loved quilting and crocheting for the loved ones in her life and continued doing this until her eyes wouldn't allow her anymore. Lucille never had children of her own but throughout her lifetime she was like a mother and grandmother to many.

Left to cherish her memory is her brother Wayne Dotson, her nieces and nephews, and many more. A special thank you to her caregivers who provided so much love and support when she needed it the most; Ann Kendrick, Mona Hill, Ruth O'Quinn, Amanda Salyers, Junaita Blevins and Elisa Mullins. Lucille, may the lord welcome you home with the words, "Well done my good and faithful servant".

Services will be conducted Monday January 16, 2023 at 11:00 am at Lick Fork Freewill Baptist Church with Pastor Randy Carter officiating. Burial will follow in the Jett Dotson cemetery, Honey Camp Section of Clintwood, Virginia.

“ Aunt Lucille was a very special person to me and I'm sure to everyone that knew her well. My two sisters, Janice and Betty, and I spent time on the farm on the hill and have vey fond memories of those days. Our brother, Alan, also knew her well but he came along much later and did not get to participate in the "good ole days" and missed the farm experience.

Uncle Chester, my dad's brother, was a fun person to be around. I spent my entire summer from the time I was 10 years old until age 15 on that farm with Pa Russell, Mamaw Russell, Uncle Chester and Aunt Lucille.

It was Aunt Lucille that introduced me to homemade blackberry "gravy" and biscuits and it was delicious.

It was at her house that I saw my first T.V., had my first Pepsi Cola and other exciting experiences for a young boy.

Aunt Lucille was a woman to remember and to cherish!

I believe she's with Jesus and I also believe from what the Bible teaches that we will see each other again.

*In my previous post, I failed to mention Aunt Lucille's nephew, Jerry Kyle and I spent fun, fun times at Aunt Lucille's and Uncle Chester's house in our boyhood days!*

“ Aunt Lucille was truly a wonderful, caring woman. Although she had no children of her own while married to Uncle Chester, she treated each and everyone of her nieces and nephews like her own. It was always a treat when she and Uncle Chester came in from Northern Virginia before moving back home. My last time seeing her was introducing her to her great-great niece, Afton. She will be missed by all of us.

“ Aunt Cil was a wonderful lady. I am so happy we got to see her during our last trip home, She loved children and I recall fondly how she helped me with my firstborn son 51 years ago. We lived near each other in Springfield, VA back then. She has always been a sweet soft spoken person. We loved her very much.
