“ Remembering my Sister
Lucille Pennell Hoffman who passed away on Sunday. She was always a blessing and an inspiration in my life as well as all other lives she touched. She had a strong spirit and her love for God was immeasurable. Heaven has surely gained an Angel.
Lou had dreamed of walking and talking with Jesus in Heaven several times over the last couple of years in her dreams he took her to see the little children who had passed on, he showed her our baby sister Nancy but told her she couldn't touch her til she returned to live there. It was a beautiful dream and she cried happy tears telling me she couldn't wait to go again. I love her with all my heart .
May God Bless and keep her memory always in the hearts of her children and family and friends.
Lillian (Josie)
