“ Well mom, it's almost been 4 yrs since you went home. It hasn't been easy, to say the least, but I know you can still hear me & that I'll see you again relatively soon. I really miss talking to you & hearing the beautiful, strong voice you had. I miss you most when I'm sick cuz that's when I'd always call you so you could tell me how pitiful I was & how you felt SO sorry for me...lol. But, I know this incarnation wasn't easy for you & that the body you had failed you from almost the second you were born. Maybe that's the way you planned it, but whatever the reason, I know now that it served a purpose. I wish I was half as strong as you were,, but I'm a total puss. You did great in this life & i can't even express how proud i am for the way you lived your life despite all the setbacks & obstacles. I couldn't have asked for a better mother or teacher in this life & I know we'll come back & do it again. Til then, I'm just gonna keep doing my best down here. You'd better be the very 1st face I see when my time is done. Fergie & I miss you & love you so much mom. I'll see you when I see you.

“ Almost 3 yrs but it still feels like yesterday that I lost my best friend. Fergie & I love you to the moon & back mom. Thank you for being the strongest, kindest, most loving mom a girl could ever ask for. Sorry I was a shit head as a teenager. I love you & miss you more than you will ever know.
