“ *Mary was a very special friend of mine. We spent a lot of time together and had many laughs before I moved to Tennessee 3 years ago. We could tell each other anything. I loved her like a sister and was very hurt when I found out she had cancer. I am praying for the family and I am deeply sorry for your loss. She was talking to me about how good Hertettia was to her and how she did everything for her. She really appreciated and loved you very much.*
