“ My Nephew Aaron: it is with a sad heart that I write these last words in memory of you. You never got to come to visit me in Michigan. When I came to visit family in Virginia, you would stop by for a visit. You were always respectful and had such nice manners. I have about three years of very nice conversations with you on my phone. I reread them all last night to help me remember our talks. I plan to keep them. I'm very sorry for what you went through battling T1D. I wish I had lived close enough to you to have been of more help during your illness. I'm sad that you are gone. I will always remember you. I will always love you. Aunt Linda Turner Sullivan
