“*Deb and Family, We are praying for you and your precious family. Our family will always treasure our time with Maudie. Her visits to our family home were special. While all of the family of Amelia Sutherland Rasnick enjoyed her company, Mom and Dad were especially comforted by her presence. With a sparkle in her eye she told us the stories of how she, our dad and the other cousins played and visited during the early 1900's. Oh how we loved the stories! It was a true blessing to see them together during Mom and Dad's journey home. Her memory will be dear to us forever. She was such a friendly, powerful, accomplished and wonderful person who clearly built her home upon the rock. May our gracious, loving and kind heavenly father comfort each of you. The Family of Bazil Rasnick*”

“Dear Vivian, Peggy, Gloria, Barbara, Brenda, Linda, Beldon and family Our heartfelt love and prayers are with you and your family. We are distantly related as our mother, and grandmother, Ethel Mullins-Cochran was a first cousin of Maudies. She was extremely close to her, as were her sisters, Hazel, Rushie and Stelle (who passed this past year). Stories from yrs ago and memories of Reverend Andrew Mullins persist among our family members to this day. Maudie was a very loving and special lady, and respected by the entire family of Ethel Mullins-Cochran. hugs, prayers and blessings for you all.... “Danny and I would like to extend our heartfelt sympathy to all of the family. Maudie was such a lovely, compassionate lady. Anyone who had the pleasure of knowing her is a far better person. She and Beldon were such wonderful neighbors in the few years we lived near them. May you find comfort in knowing she is in the arms of our Lord and Saviour Jesus Christ.”

“Mrs. Fleming was one of a kind. She made you try to be a better person just by being around her. She had such a gift for being able to perfectly combine a no-nonsense approach with unconditional love. She was the mother and grandmother of two of my best fiends, and I know that many of the things that make them my friends came from her. She was always so good to me, as she was to everyone. I loved her and I will miss her. To the family, you are all in my thoughts and prayers. I know you will miss her here on earth for a while, but that you will see her again and that you will be with her longer than you will be without her. God bless the family of Maudie Fleming.”

“Kaye, Our Prayers and Condolences and Prayers going up for you and your family members and all who knew Maudie and what a wonderful Godly woman your mother was. I was thinking, I am age 60 and your mother looked so much younger than I when she passed. If I thought I could be as good looking a woman as she was when she passed. I wouldn't worry about getting older. The oldest Pictures of her now are so much younger looking than I am at my age. You Girls were all so Blessed to have such a wonderful Mother. May God Bless and keep you Children Safe until you all come together again. Love and Hugs until we meet again.”
