“I went to high school with Melanie...we were "homeroom" buddies during our Senior year and became very close. She was such a kind soul with a generous heart. She was beautiful then and remained beautiful throughout her life. She left a wonderful legacy in her children and grandchildren. I pray that your memories will comfort you until we are all together again one day in our eternal home.”

“Our thoughts and prayers go out to each of you. It was my intentions to attend the services tonight but sickness will prevent me from attending. I am thankful for the opportunity to renew a friendship with Melanie and also her testimony from her fight with breast cancer and her encouragement in the days following my wife's diagnosis. We were blessed. She showed us the way in a dark and confusing time through encouragement and her caring. In this time of grief, celebrate her life for the fighter she was and knowing she touched so many lives.”
