“ Tracy & little Mikey,
Sorry about your mom. Remembering the good times with your mom & dad & little Mikey. Especially the times that we went to the mntns & our two big excursions looking for dry land fish. Also, the trips to Birch Knob , your dad wanted us to see something down a big hill, I don't remember what, but your dad ended up carrying you up & down the hill because you were tiny. I will keep you guys in my prayers, may god watch over you, love mamaw Rita & Uncle Lightning
