“*words can not explain how much you are missed and loved by me and the kids;theres not a day that goes y that I don't think of you.i never thought in a million years you would have been taken from us so early.all days are hard but some days are very bad without you.its still so hard to believe your not here anymore with us.everthing thing I see,,hear or touch reminds me of you.im tryin to stay strong for the kids and the family but some days are unbearable.if I could have traded places with you I would have in a heart beat.you are a one of a kind and nobody can or will ever replace you.I LOVE YOU WITH EVERY BREATH I TAKE AND ALWAYS WILL”*
