“ *My heart breaks for the whole family especially his mother who I know loved him so dearly. This news has been devastating to the whole community and family of “ Friday Nights at Ralph’s House”. Nate will forever be a part of those great memories, the thrill of victory and the tears of the end of an era. I pray for God’s comfort to you. RIP Nate. You were special.*

“ *I love you Vicky...prayers for you now & in the days to come. Nate was such an amazing wonderful young man. I'll always remember our boys being chosen to play football in 2nd grade when they were not supposed to play till 3rd grade. So many precious memories of football & baseball games over the years. Us yelling at the top of our lungs for our boys. We will never forget. I love you Nate & Vicky & family.*

“ Nate was always such a gentleman to me and to anyone who knew him! We had drafting class together my senior year .He was always such a goofball, but he had to get his work done for football practice and game day ,so sometimes I would help him and the other football boys as I understood it in order to help them out. Even though they could of probably done it on their own.Just in that class alone and passing him in the hallways of Clintwood High School, he made a lasting impression on me as such a genuinely good person.He had a smile and laugh that would fill the room.He will be sorely missed by everyone whose lives he touched in so many different ways. I pray that God gives the family the strength to withstand this tragic moment. May his soul rest in peace.
