"You were my best friend for 27 wonderful years.. Being blessed with a true friend like you is a blessing not often found in life.. You always gave me many smiles, and we had lots of laughs, and the hours passed so fast and the years slipped so quickly away.. You was a sweet, kind and loving person with big heart.. Your children, grandchild and family were your life and you gave all you had to give to them.. I'll miss you. I miss you now.. I love you always.."
