Pamela Lynn Mullins Morse 54 of Bristol, Virginia passed away Monday August 5, 2024 at 10:53pm at Bristol Regional Medical Center. Pamela is preceded in death by her infant son Russell, her father Franklin Mullins, her mother Mescal Sykes Mullins, her brother Darrel Mullins, and sister Elizabeth Carol Mullins. Survivors include: Daughters Brianna McNeley, Joyce Steffey. Grandchildren Austin Steffey and Sarah Steffey. Honorary Grandchild Thalan Counts. Nieces Darylann and Martika. Pamela "Pam" was a proud RN at Johnston Memorial Hospital. She started her medical career as an EMT in Dickenson County and kept going until she got her RN certificate. She loved everyone. She was a selfless person who would give anyone anything she had without question. She loved animals and leaves behind her pet blue lobster "wizard". When not working saving people at the hospital she spent most of her time with her grandson Austin. Waterparks, making smores in the backyard, and finding new places to eat were among their favorite things to do. And yes as she put it she was a gaming granny. She enjoyed her games and that was her relaxation along with planting dozens of flowers. She lived with Joyce and Austin and was always there with love, warmth and an occasional scolding. She was our gammy a name which stuck because Austin couldn't say granny when he was little. She loved her backrubs from Sarah they were a bi-weekly tradition. Her

co-workers were her second family. She loved telling some of their escapades at work. Most importantly she loved Brianna. She would get excited at every text or message she received from her. Pam loved to cook at home, at work, she was always trying to feed everyone and it was the best food imaginable. She has left such an impact she will forever be remembered. Simply, Pam was love.

It was Pamela's wishes to be cremated

“ My last hospital stay at Johnston Memorial Hospital, Pam was working. It was so good to see her. I felt so proud of her and her accomplishment of becoming a RN, Pam’s sweet nature in itself made patients feel better.
My heartfelt condolences to the family for their loss.

“ *Pam was one of the hardest working people I knew. She was also kind, caring, and always helpful, not to mention she was an excellent cook. She fed everybody she ever knew. She will certainly be missed by all of us who knew her and considered her a friend.*

*With thought and prayers. May she rest in peace.
