Paul was truly blessed with a long life; it was amazing to sit with him and listen to him tell stories of his life. Way back from a small child and through out his many years as a soldier. He never forgot names, places, times or dates.

September of 2005 Paul gave his heart to God and was baptized. He really enjoyed attending church. He would say "my only regret was not doing it sooner". He loved talking about the bible. Paul made many friends throughout

his many years and he will be greatly missed. Until we meet again, go rest in Jesus arms. You have fought a good fight and you have run your race with patience. There is a crown waiting for you! We love you and will miss you, Uncle Paul.
