“Betty, Joe and other precious family, We are so very sorry to hear about Paul's passing. Paul didn't hide his light under a bushel basket. His bright , charismatic, honest and humble being was there for all to see. Paul was so very talented and dedicated to serving the children well. Children came to him as if he were a magnet. He was so good for the staff and children He knew what had to be done and either did, or saw that those things were done. While he was well known for maintaining a near perfect school building and many other things, he is best remembered for being the kind, generous, and decent family man and person that he has always been. Our lives have been richly blessed by knowing Paul and we will treasure his friendship forever. Damon and Bobbi”
