We are so sorry for the loss of your son. I know no one can imagine the pain unless they go through it themselves. We pray your comfort will come from Jesus. But for now I know it is one tiny step at a time. Sorry I couldn't be there tonight. I can't leave my husband. We pray God will comfort you in your time of great loss. Freddie and Debbie Lilly

Payton you came into our lives just a short while ago but you will forever be in our hearts my lil friend. You were such a sweet boy, with a smile of gold. I wont forget the first day we met you, you helped Clayton and Daniel carry in groceries without being asked and you showed me that you werent like others your age. You were a blessing to Shy and she misses you so much. Wish you was here so we could have another laugh and see that bright smile. My heart is forever with your mom, dad and the rest of your family and all your friends kiddo. Fly high and give heaven some hell. Until we meet again. #forever16

“ *The news of this tragedy hit me like a cannonball. You don't have to know a person well for their passing to affect you with sorrow and grief. This young man will leave, what he gave in life, love, kindness and blessings. You are loved so well.*

I cried through this entire video. Payton is my cousin but I didn't have the opportunity to know him because of distance in miles and running out of time. NOW, I will always regret this. My heart goes out to my family, and I wish so much I could be with them. I love you all so much!
