“ *Jen, My heart is breaking this morning! 💔 I just saw Mama's obituary. I wish I could be there for you. The memories are too many to mention. Mama was leary of me when we first met, but those concerns soon vanished. We became family. Thank God above that we all opened our hearts to God and because of him, we will see Mama again one sweet day! I love you little lady!*

I know you out can't see this but I'm going miss you so bad. Please tell my dad and everybody else I love them. And the good lord most of all.. life is crazy at times. But I know you can breath with out using a machine to help you breathe and I know you have a great new body. Hey you will not be hurting no more. I am going to miss you so bad talking to you on Facebook Messenger and telling you how much I love you. I always will love you. You are the best aunt ever. Please save her place for me in heaven. Love you always, Lisa
