“ *I grew up with, went to school with, spent many sleep overs with Phyllis and Linda Justice. I am so sorry to hear that Phyllis is gone. I know Linda is lost without her sweet sister.*

Linda, I didn't find out that Phyllis died until today. I am so sorry, my friend. I would love to be there to help comfort you, as you have done for me. Maybe Phyllis and Avinelle are together with other family members tonight.

Sorry, I can't make it home for the funeral services but know that I am thinking of you and love you very much.
