“Charlie, Sam, Carlie, saying I am sorry for your loss just does not convey my sincere empathy for the pain that you all are going through. I trust that God will help you through this trying time. I don't mean this as a cliché If you need me you know that I will be there. I will continue to pray that God will give you the comfort that you need for the days ahead. We Love you Sonia, Mark, Katie and Allyson Puckett Delete”

“To the whole family, who I wouldn't even dare try to name for fear of forgetting someone. You all are in my prayers, my thoughts and I hope that you find comfort during this extremely sad time. Phyllis was one of a kind, and all of us who had the pleasure of getting to know her even a bit, were extremely lucky. If there is anything that I can do, please don't hesitate to ask. Love you all like family, and hope that God will give you the strength you need during this trying time”
