“*"May PJ enjoy heaven - I know he will never be faced with the issues that he had to deal with here- he is free of all of them now. I am very sorry that we were unable to attend any of the services but at his mother Janie demand that his step mother Lona King who help his father and grandparents raise him and any of her family not to attend including his little brother Steven who he loved very much. As much as it hurt we do forgive her and may God work in her heart and life. The video was great he was a great Army man. I know he has a special reward in heaven for protecting God country and people. Thank you PJ"*
