“Wayne, I am so sorry to hear of Prentis' passing. You and your family are in my thoughts and prayers. I will miss Prentis' so much and his lively twinkle in his eye and his dancing.”

“You will be missed by all that knew you...thank you for the memories. You did not let life's problems slow you down. You were an inspiration to all that you met in your daily life. Go now and rest...”

“I give you this one thought to keep I am with you still - I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow, I am the sunlight on ripened grain, I am the gentle autumn rain. When you awaken in the morning's hush, I am the sweet uplifting rush, of quiet birds in circled flight. I am the soft stars that shine at night. Do not think of me as gone - I am with you still in each new dawn.”

“Uncle Prentis loved life and everything in it. My fondest memories of him are working on his boats behind our house in California. He was a true craftsman and I never tired watching him perform his magic with wood. Even though he was deaf, I was able to "tune into his frequency" and I was able to understand what he was telling me just by thinking about it. Our two sons are very proud of their Uncle Prentis and will also remember their time with him. I will miss Prentis terribly, but am certain that we will meet again.”
