“Prudy; You gave so much and were so wonderful to so many... and although your life was much too brief... you touched us all in so many ways...;I see you in the beautiful flowers and hear you the gospel music... you were like a second mother to me always with an ear to listen to and a kind word to say... ;you were a very strong woman who faced alot of adversity but also loved your family and had a heart that was like no other.... ; I do not worry about you because I know where you are ... singing with the angels and planting beautiful flowers and being a guardian angel to your family who really were your life....;; I will always love you and there isnt a day that goes by that I do not think of you ... but I am heartened to know that you are finally at peace;Love always;Amy; ”
