“ *"To All of Raymond's Family: I'm so sorry for your loss. Raymond and Marie both, were good friends of mine and Earl's. I wanted to be there with you for Raymond's service, but weather conditions prohibited me from being there on Wednesday night for the viewing. I talked with some lady in the office on Thursday, regarding expected time of arrival at Temple Hill. I had planned to just go to the cemetery. She said service had been cancelled and re-scheduled for 1 pm on Saturday. I again called the funeral home about 1 pm today, asking her the same question. I was then told that the poss- session should have already left the cemetery, because they had left the funeral home about 11:30 am. Maybe I misunderstood, but I don't recall her saying "Grave Side Services" had been re-scheduled for 1 pm on Saturday. Just remember my thoughts were and are still with all of you during this time of sadness. Please give my condolences to all the "Gibson families." Sincerely, Madeline Owens Kerr"*

“Raymond, I was so sorry to hear about your Dad's passing. I saw in a message from James Yates on face book. I had the pleasure of meeting your son this fall when Margo and Wayne and I went in to Clintwood to pick up some prescriptions for Aunt Dot. I hope you and your family are doing okay during this time. My thoughts and prayers are with you and your family... Pam”

“It is with the deepest of regrets that I write to say that I am in total shock in hearing of the passing of one of Dickenson County's finest men. I grew up with this family in Clinchco and always looked up to this man. He was always the same person no matter when or where you met him. I wish to say to the family that I am so sorry for your loss and I know that he is with his beloved Marie waiting for all his loved ones to join him one day. I hate that I have just now found out of his passing and not being able to be there in person to show each and every one of the family my respect and sorrow . It is with love and respect that I wish to extend to you all in behalf of myself and my sister, Shirley. May GOD bless each of you always.”

“Sorry to hear of the passing of Raymond. Mom (Ruth Mullins Quesenberry) wanted me to let the family know how sorry she is to hear this. With the weather and her health, she will not be able to attend services, but will be praying for the family.. She was always so thankful for the work he and his wife done with the church.
