“ Dick and Bob Baker have been good and close friends of mine since high school days at Sioux Falls Washington. Dick and I owned an aircraft (Beech Craft A-36) together for a number of years and had many good trips in it to northern Minnesota where his family had a cabin and Dick had ownership in a resort. We also had a very interesting flight we would never forget coming back from Gregory SD, after a hunt at night in rain that turned to ice and then the electrical system went out on the approach. Had to lower the gear manually had to use a flashlight on the instruments on a limited panel and had to land a very heavy ice laden aircraft. The Good Lord was with us. The same Good Lord is with Dick and Bob now. Dick.....many good memories and you will be missed. Love Ya Peter Hegg
