It seems unreal your really gone, I guess a small part of me always thought you were indestructible. We had our ups and downs, alot of fun and alot of tears shed on both sides. Your no longer suffering and I'm great full for that. I love you Rick Bartley my blue eyed devil.

“ Dear rick, it's hard to believe your gone.. I've known you for so long.. you are usually outside roaming around, especially playing with the kids, and talking to everyone.. and we talked about this and that..it's not the same here without you..watch over us, and if you see my baby girl, tell her I love and miss her.. watch over your mama, she misses you, I know how she feels.. and your sweet sister heather, she's having a hard time without you..and laken, she loves you and we all miss you.. you are running now,without pain...
