“ *He was loved dearly and will be missed. We will never forget him. He will always be in my memories and heart. I will miss talking to him on the phone when i call. I will always remember his smiling face and laugh. I will never forget the time i spent with mommom and poppop as a child. Some of my best memories of them are as a child when i would spend the summer with them. That is the one thing I use to look forward to when school would let out for the year. I will miss him. I think about him all the time and will never stop thinking of him.* ”
