

Robert Kevin Peak

April 30, 1967 - October 25, 2024

Robert Kevin Peak, age 57, “Bigin” folded his hands in prayer at Holston Valley Medical Center and opened them to embrace his mother in Glory on October 25, 2024. A grand reunion was held as Kevin was greeted by his loved ones and who had gone before him.

Kevin was born on April 30, 1967 and was a coal miner/truck driver and was passionate about being a coal miner until he became disabled in 2008. He continued to revel in his adventures underground and always had a big tale to tell about the jokes and brotherhood he felt with his fellow miners.

Kevin’s proudest accomplishments were the “two fine boys” he had with his wife, Tanya. He was a great provider and enjoyed fishing, holiday dinners, and festivities where he could entertain and tell his jokes and roar with laughter. Kevin was a jack-of-all trades and passed his knowledge onto his boys, who would become very capable men.

The last decade of Kevin’s life was dedicated to his grandchildren. He was a wonderful Poppy and wouldn’t hesitate to tell you had the best grandkids around. Bentley, “Fred”, and Irelynd, “Biscuit Biscuit”, as he affectionately called them were the absolute light of his entire existence. They will miss their Poppy but will carry his enormous love with them always.

Kevin was preceded in death by his parents, Judy Rose and Robert Peak; all grandparents both biological and beloved by marriage; father-in-law, Johnny Ivan Vance, Sr.; several siblings (infant); many cousins and other loved ones.

Kevin is survived by his dedicated and loving companion, "his fur baby", Cookie; wife, Tanya Peak; sons, Jonathan (Kayla) Peak; Riley Peak; grandchildren, Bentley, "Fred" Peak; Irelynd, "Biscuit Biscuit" Peak; brothers Bill (Patty) Peak; Jason (Mandy) Peak; Chris Farmer; Joey (Ashley) Farmer; sisters, Telena "Ethel" Umberger, Kimberly "Bucky" Mullins; Cindy "Tatercake" (James) Mullins, Amber, and Amanda. A host of beloved nieces and nephews and other family members and friends.

“ Kim, Cindy and family. I am so sorry for your loss. I did not get the opportunity to meet Kevin but when meeting you and listening to your stories, I felt like I knew him. I know your hearts are broken and I wished I could do something to ease that pain. I will continue to lift each of you up in my prayers. I am here for you at anytime that you need me. Please let me know if I can do anything for. God bless each of you. I asked that His strong loving arms be wrapped around each of you. I pray He gives you peace, comfort and strength to get through this. God Bless and Keep each of you.

“ I have tried to find the words and then erase them and rewrite them but there is no words to express the hurt and heartache. I find comfort knowing you are with Troy and showing him all the things I never got the chance to show him, as well as you and dad taking him fishing and telling him about our family.

Your kindness, protectiveness, laughter, & jokes will forever be missed. The world seems a little darker without you here. But you was a light that shined brightly in this world, that I know your sons and grandchildren will carry with them.

My thoughts and prayers are with you Tanya, Jonathan, Riley, Kayla, and the grandbabies.

Rest easy now bub❤️
