“Dear Peggy & Family, This is Shana Vance-Lucas, I just wanted to let you know what a wonderful man/son you raised. When I went to the prom with him not only was he a complete gentleman, but he was also a ton of fun!!!! I loved every second of it that I spent with him. Robert Brian showed me how I and all women deserved to be treated. he set the standard for me on what I should look for in a man and how he should treat me. I just wanted to wish my condolences to all of your family, and to let you know that you all are in my prayers. I also wanted to let you know what an honor it was knowing your son. I love all of you guys, Respectfully yours, Shana Lea Vance-Lucas and Family”

“I went to school with Brian, and he was such a sweet, humble boy. I am so sorry to hear this. My soul aches for his family, especially his mother and children as I have a son of my own. May God Bless You! My prayers are with you!”

“Peggy and family, Words will not take away the pain but I'm hoping the messages of love and support will help to ease it. Jeremy and I wanted to let you know that you are in our thoughts and prayers at this trying time. Brian was a wonderful person. Despite all the challenges he faced, he was brave and smiling. Jeremy was talking last night about him and Brian and Joe going hunting and fishing when they were younger, and how much fun they used to have. He will be greatly missed by all who knew him. Athena and Jeremy Cox”
