“ *I am happy for Roger, he is now at peace. His struggle is over at last, he fought a long admirable fight. Roger enriched my humanity with his joking and easy going mannar, he left a lot. Roger was self-efacing and not dwelling on the past. Jay Venger*”

“One of the blessings in my life was to share time with Roger in Vietnam on both his tours. We reconnected in February of 2014 when I drove down to Clintwood for a visit and spoke weekly by phone until the week he passed. That was another blessing and I will miss him. No one else on the planet will appreciate what we shared but I'm sure his generosity wasn't unique. Peace, Roger, peace.”
