“*I am so sorry to hear about Roger's passing, but I know he has gone to a much better place with no more pain. He was my friend and I missed him coming to the DCH when I was volunteering there He joked around with me and always asked me about my husband Harold. I will miss him dearly whenever I'm back at the Hospital. God Bless the Family and God will give you the strength to bear this loss. Remember, Roger is with our Lord.*”

“Sarah Kay & family: This is Kay and I just heard abt Roger's passing today and it sure has saddened me greatly. Roger was a good first cousin and he sure was a prankster.lol We had some great times kidding around with each other and always enjoyed our conversations very much. I will never forget how he and you were there for me when mommy(Irene) was in the hospital and he came down to see her and was there.That meant so much.I wish I could come to his funeral but I am snowed in big time.I will send some flowers tho.He will be terribly missed by all of us and we loved him dearly.May God Bless him and all of you too!! Love,Kay”

“Gary and I are so sorry to learn of the passing of Roger. He was a wonderful neighbor and friend. I will never forget when Katy was born(did not even know Kay was pregnant) and Roger told me to come to his house and see his new baby girl. He was a proud Dad of both Steven and Katy.”
