“ Oh my God I just found out & I'm crying so hard I can barely see! My family loves Roger more than anything! When we lived in VA he used to come to our house every day & sit around & talk or help Vernon do something around the house. He'd play with my girls & they were crazy about him! He was like their uncle. He was the best man in the world & the best friend. He had his times when he wouldn't take his medicine & we wouldn't see him until he got better but we knew he'd be around as soon as he was. I've wanted to see him for years but nobody knew anything about him. To the family, I'm so sorry he's gone because he was one of the best men. I have so many memories of him.
