“ *Rhonda, I am so sorry to hear about Ron's passing. The first thought that came to my mind was that he is with his sweet Glenda. And then I remember his love for you and the girls... He would often call me before I moved to SC and we would recall sweet memories of when he, Glenda and I were young and the good times we shared. I so regret that I didn't call him and give him my new # so we could have talked after I moved. Please know that you and your family will be in my thoughts and prayers in the difficult days ahead... Love you dearly*

“ I can't remember a time in my life not knowing Ronald Jack and all his siblings! I'm not risking leaving any of them out, but each of you have a special place in my heart, as my Aunt Joyce that I pray meets Ronald Jack with Glenda by her side! Rejoice!! May God send comfort to his daughter and grandchildren, I've heard of all because Ronald Jack always had a smile and ready to talk and we did!! My heart breaks that he's gone but I thank God for the time God gave me with him here!! 😭❤️
