“Ron was a colleague for 27 of my 32 years teaching. He started as a teaching assistant and soon became a special needs teacher. It takes someone special to work with our most vulnerable children and Ron was committed to the task without putting on a show. I ask Ron if he would wear a dress for our St. Judes fund drive a few years ago and he enthusiastically said yes. I thought maybe he was a little too enthusiastic. Kidding aside, he created a lot of joy and laughter that day while helping those in need. With my deepest sympathy, Greg Goodson at Wise Primary School.”

“Sorry to learn of Hoss's passing. He was good people and enjoyed entertaining us in high school, making us laugh loud and often. There is less laughter in the world today without Hoss. We are missing you Ron. RIP! Ajax Class of '79”
