“ Roy has always been kind to me. Treated me like family. He was sweet, generous, and truly he will always be my brother in my heart. My favorite memories of him is when we all hang around the tv watching anime at his house, his mommy making cookies, and his dad content with us just being kids. Roy and Tyler were always into something... Really stupid. Who climbs a cliff face above and next to the road?? Who decied in the dead of winter to crawl on their stomachs through the creek for a mile? Roy and Tyler did.

I love you Roy I hope you are with your mommy waiting for the others.
