“ *"I just found out about Samantha's passing. I grew up with Samantha in the "rough" Pucket trailor parks. We played together as kids and chased boys together as teenagers. I'm saddened to hear of her passing. May she rest in peace. My heart goes out to her family, children, and those who held her dear."*

“I just saw this as I was looking for someone else's arrangements. I just passed Sam a little while back in town. I can remember her as far back as the 4th or 5th grade at Clintwood Elem. I remember going skating with her at Vance's too! She was always smiling and having a good time. The last time I spoke with her was about a year ago in town. She hadn't changed a bit. I never met any of her family, but I pray each of you find peace with your loss. She will be missed.”
