“*A few weeks back I wrote my Aunt Sandra a letter that I think conveyed everything that I felt, and when I visited her I told her that I'd always love her and remember her for her humor, her candor, and her tenacity to just keep going. But today I'm thinking of you Jason and Kim, and all the grandkids. I know how much she loved you all. Just rest knowing that she no longer has to suffer, and that now she and my mom will be together, with mim and pap. I bet they are all smiling down upon us now, loving us still. That will never go away. I love you cousins, very much. Please call or text or email if you need anything. I'm so sorry I couldn't be there. I did send flowers to the funeral home, if they don't get there in time could you check with them to make sure that you all get them? Love you all so much xoxo”*

“*Kim and all of the family, Danny and I were saddened to hear of Sandra's passing. I had known her most of my life. We went to school with her several years and graduated with her in 1971. Then her daughter, Kim went to school with our son, Mark. I'll certainly miss Sandra's friendly personality and her beautiful smile. May God comfort and bless all of the family.*”

“Sandra, your passing has left us heartbroken. Then to know you are in a way better place no longer suffering helps ease some of the pain. You were a wonderful daughter, mother, grandmother and friend. I love you and miss you so much. I loved to hear you laugh and see you smile. Always happy and had something funny to say. I will never forget how many times you have made me laugh. May God comfort each one of the family members and your friends during this sad time. You may be gone but will never be forgotten.”
