“ Whenever I think of you Scott and how things used to be I wish so much I could turn back time and relive those memories. The special times we shared and the good times we had are truly unforgettable for there's no one quite like you. The memories are dear to my heart and I could never stop missing you. Without you, nothing is quit the same you're a brother who could never be replaced. You occupied a very special place and left memories that never be erased. Death may have taken you out of sight, but nothing can take you out of my heart. As I remember you with lots of love, I'll treasure my memories of you forever.
