“Tammy & Family, We are so sorry for your loss. I know words cannot take away the pain you are going thru but remember you will meet again one day. My brothers Gamelil & Chris new Shawn well in school and they are so sadden that he is now gone. But they after they spoke about him for a few minutes smiles came to their face, remembering all the good times they had in elementary & High school. He was a great man they said, always would bring a smile to your face. Jay & I and our boys just wanted to let you know that you and your family are in our prayers and hope in time your pain will ease. His jokes, his smile and He himself, will never be forgotten. With all our love and sympathy, jay, Tracy, Austin, & Ethan Turner”
