“ Your family has always been so special to me and my family. I tell everyone about Eula's delicious bread and cakes. Sheila, you and Sheba were Dinah's best friends, and I will always be thankful for that. You were so good to Carl Vincent when you babysat with him. In so many ways, I remember your kind family. All of you are in my thoughts and prayers. Love to all of you. Louella Short Greear

“ I have so many fond memories of Sheba. I remember when she was married to my cousin Beanpole. We would always go by and spend time with them when we were in from Michigan. When I had spoke to her last we were laughing about me falling and busting my butt on her white stone walkway. Not to mention all the memories we made at my Aunt Sue & Uncle Wallace's. I wished I could be there for her service, but due to health reasons I will be praying for the family during this difficult time. Wally I know losing a parent is so difficult and hard to deal with.
