“So sorry for your loss. My plan was to stop by and see your mom this summer when we came down. Robert was my first cousin. Alta was moms sister. Love and blessings in Christ.”

“Aunt Shelia you will be dearly missed. Even though we lived hundreds of miles apart...the times that we shared together meant so much. Anyone that had the opportunity to know you was blessed. You were the best aunt anyone could ever have. I will always hold the memories we had together close to my heart. I am very thankful that i was able to be with you the day God called you home. It was not easy letting you go but I know that you are suffering no more and that brings me peace. You are now in a better place and are able to breathe like never before. Rest in peace. I love you. Until we meet again...”

“I remember the first time I met Shelia. It was Christmas 1970. I was meeting my inlaws for the first time. I remember all of the singing the brothers and sisters did. It was so great to be part of a big family. I know that Shelia is in heaven. God would have it no other way. Prayers for the family to help them get through this difficult time.”
