“ *Doug, Linda, Manda, Tony, and everyone that has had there lives touched; as I was, by having the pleasure of spending time with this wonderful and amazing young man, I pray that God helps you through the pain and grief of not having him here with us any longer. Just remember....he is in the arms of our Savior. He doesn't have to deal with pain and strife from this ungodly world in which we remain. In order to see him once again, we must stay and endure until God calls us home to once again be able to smile and laugh at all of Simon's jokes. He made many days down at the river more enjoyable and always had a smile to share. I know that the news of his passing will undoubtedly be hard for Austin. I'm dreading having to tell him that "his little buddy" has went on home. Thoughts and prayers are with you all!*
