“ *My Mom was the best mom ever! She was always kind too everyone and most supportive of all crazy schemes that all her children stirred up. She was beautiful inside and out, she will be missed very much. Two soul mates back together. I hope you's are yuckin it up with my sister and brother too. Love you so much! Thank you for being my mom! Love always Patti*

“ *I loved spending time with Rennie. I was welcomed into the extended family while living with Colleen and we had some great laughs. She will be so missed by her family but is being welcomed by the family gone before her, with their open arms. Love and Prayers for all of the family....Denise Coleman Johnson*
