“*To the Family: I was so saddened to hear of Sue's passing. They didn't make them any better than Sue and Taylor. I first met them on my first job at the age of 14 in High School working on the NYC program. They were my mentors and I learned much from them, not just about work but life as well. It is people like Sue and Taylor that we cross paths with in life and they make an impact on us that goes with us the rest of our days. They taught me not only their hard work ethics but also love for one another. Heaven has a new angel! God Bless all of you! Janet Moore*”

“*I am saddened to hear of the death of a wonderful and loving lady as Sue. She will be missed by many. She made a difference in so many lives, especially children's lives. I worked with Sue at Clintwood Elementary School. She was such a sweet person to work with and just to be around. The children she taught will never forget her, she loved them as much as they loved her. She had patients to no end with helping her students with what ever they needed. She was someone to respect and admire for this. To the family I offer my condolences and prayer's. Barbara DeLoach-Puckett*”
