“ Just now found this out! we were friends when she & her Mom lived in a house where Food city is now, I lived next door to her. We would have the best times at that house . We moved away and lost touch with her, we couldn't couldn't keep in touch.

“ Sula has been a deeply loved friend since we were 12 years old. The world will feel a little more empty without her. Deepest sympathy to her Dad, StepMom, StepSisters, Mike, Wendy and all her family. Growing up, Sula was a one of a kind person. She was bold, courageous and kind. I am thankful she was a part of my life. May she find the peace and love in heaven that seemed to come so hard for her here on earth.”
