hey baby I just logged on to read your messages. I'm so happy that I got to see you all! there is so much we didn't get to talk about. I dream that one day we all can live together again. Damn it Sofia I miss you so much, baby. You and sis have gotten so big I hardly recognized y'all. I found your Facebook my "parents" won't let me add you or anyone on my side of the family. I hate it so much your my babies and I can't even be there to be with yall but I promise you one thing I'm going to see yall again so don't worry. The woman I live with said you guys don't want anything to do with me anymore and if you don't I will always be here for you all. Sofia I want to come home, I want to come home to you hadlyee, and Daddy. I'd be good for yall and I wouldn't give Daddy's woman any trouble i just want to come home. I hate it here i feel like I'm always in the way, messing up a perfect family. Would yall let me home with open arms? I hope so. oh yeah sorry, I dusted yall out, my bad lol. I have to go but I need you to remember a few things; 1# You and sis are damn beautiful like so beautiful I'm jealous, 2# You are my best friend forever always, 3# If you read this before my birthday i want you to get on here at midnight so we can chat, 4# please tell daddy to unblock my number so I can call. I love you girls!

I'm here, Sofia. I'm sorry I couldn't respond. I've been busy with school and am getting ready for college and the military. I will try to get back to you as soon as possible. I miss and love you. I wish I could come home, but I know that's not an option. But even when I leave for school and the military, just know I'll come back for y'all. I'm not leaving my family behind, just as most of our family has. Don't give up on school, keep going even when it hurts, because it will all pay off, I promise you. I got a scholarship offer today, that's how I know it will work for you because I'm doing it, I'm living it, baby, I know you can do it. Stay around people who will boost you up, and do NOT give up on yourself. Tell little sis that I love her and I miss her. I'm coming back one of these days, just wait and see.

I've texted your "parents" they never texted back. I don't think we'll ever get to actually see each other I'm losing hope. I just started 8th grade and I hate it. Everyone's so mean and there's alot going on. I love you Madi hadlie says she loves you too.

Just be wise about everything, Sofi. I want to be able to talk to you. Don't do things out of spite; just let me deal with it. We will get to see each other again, I promise you that. Keep faith and keep going, you can do it, ba. I know you can. I love you.
