“ *I'd like to take a moment and write a few things in memory of such a great woman! Although, things changed and we weren't as close as we once was; due to the fact that we had moved. Over the years we were friends I can remember she always had a smile on her face, always making me laugh, she was 1 of the most Courageous person I ever met, it's like she had it all in the bag: no fears at all...and so brave. I will miss her everyday and remember all the good times we had. R.I.P. Tina Marie we love u Angel!!*
