“To: Danny and Karen; I am sorry to hear about the loss of your Dad. Tollie was a great person one with whom you wanted to be among. Danny I am in such poor health myself I will not be able to attend services. However I will remember you and you entire family in prayer. Danny it is hard now but as for as me I would not want to see mommie suffering any longer. Knowing they are in the hands of Jesus is much better than suffering here in this terrible world. Danny if any of you need me for anything just cal me @926-6286”

“To live is Christ, to die is gain. This is the truth regarding Tollie. We love for our loved ones to be with us when all is well, but Tollie suffered so much for so long, now he is out of suffering and gone to where there is none, where there is no sickness and no pain, to enjoy life forever, rejoicing and singing, for that was his delight while here on earth when he was well. May the God of all comfort, bless and comfort Norma and the rest of the family. We love her and the family. We loved Tollie also, he was our brother-in-law, and brother in Christ and a friend indeed. He was a faithful Christian and Deacon at his Church and was loved by many, and a friend to so many people. Praying for Norma, his precious wife who stood by him, no matter what. We love and are praying for all his family. Lois & Rutherford Layne In Christ, Because of Calvary”
