“I love and miss you Mamaw Pauline and I love that I named my daughter after you. Kaelynn Pauline Robinson/Smithpeters loves you as well. I wish you could've met her Mamaw, you would want to take her from me cause you would love her so much. I am blessed with a beautiful daughter that is named after the best woman I know. You was and still are the best influence and motivation I have. I'm blessed that I could have you in my life for 20 years. I love you and miss you dearly. Enjoy eternity with Papaw and I know you're happy to see him again after such a long time and now you're completely worry free. Rest high up on that mountain and let Jesus lead the way.”
